

3rd International Conference

MAITRI2025

MAchine in Telligence for Research & Innovations

Date:

August 1-2, 2025

Venue:

School of Electronics Engineering

KIIT DEEMED TO BE UNIVERSITY
Bhubaneswar, Odisha, India

Major Domains (Thrust Areas):

Affective Computing	Artificial Intelligence	Autonomous Vehicle Technology	Bioinformatics	Cognitive Intelligence	Combinatorial Optimization	Computer Vision	Competitive Intelligence
Cyber-physical system	Cyber Security	Data and Web Mining	Deterministic Chaos, Complexity and Fractals	Drone Technology and its Application	Human Machine Intelligence	Hybrid Intelligent Systems	Intelligent Healthcare and Diagnostic
IoT and smart environments	Machine Learning and Deep Learning	Metaheuristics	Navigation Technology	Pattern Recognition	Quantum Computing	Remote Sensing and Forecasting	Risk analysis and safety-related issues
Robotics & Control	Signal and Image Processing	Speech and Language Processing	Swarm Intelligence	Sustainable Agriculture	Supply Chain and Business Management	Sustainable Development and Technology	System modeling and optimization
Time series prediction							

Important Dates:

Paper Submission:
May 15, 2025

Paper Acceptance:
June 30, 2025

Decision Notification:
July 8, 2025

Early Bird Registration:
July 8, 2025

Conference Website:
